

News OGA April 2012

Godalming County Grammar School 1930 – 78

Founders Day Reunion 20 October 2012 The OG list has decreased for several reasons. OGs move and do not give us their new contact details. Sadly the list of OG deaths increases. Some of you send us obituaries and we post them on the website. We know others keep in touch and more would be welcome on the main list - let us have their details. Nearly half of those listed have email and informing OGs that way saves a great deal of time and expense. If you know of any OGs with email addresses please ask them to let us know?

Recently the OGA has been run by four of us but we are unable to continue. If you want to have more reunions and a website, younger OGs must take over from us. In particular a new webmaster (male or female) and an OG to keep the data base on their PC.

For all of you who have a computer, or access to one, we have a website. This can also be seen at your local library and usually the Librarians will help you access it www.theoga.org On the website, like Facebook, OGs have posted messages and there are photos from school days and more recent events. We are very grateful to John Locke (retiring) who set up and managed the website until now. He always welcomes more news and photos.

OG reunions are held open to all or for smaller groups. Founders Day, open to all, on the 3rd Saturday in October is held biannually. The next is 20 October 2012 and there is a booking form below. Smaller groups arrange their own which are advertised on our website and notified to the years concerned. There is a booking form below. We look forward to hearing from you and meeting again in October. *Special note to 47ers from Hazel; as it is our 65th anniversary, please make an effort to come.*

The caterer delivers the lunch as a 'take away' and we thus avoid VAT (save £4 per head). We need everyone to help - serving and returning china and cutlery to the delivery boxes so the caterer can collect everything on time.
