

# GODALMING TOWN FOOTBALL CLUB 1950 – 2025

## and a look at football in Godalming and Farncombe before 1950

The year 2025 is the 75<sup>th</sup> anniversary of the founding of Godalming Town FC (as Godalming United FC) in 1950 by former pupils of Godalming Grammar School.

Over those 75 years, there have been many ups and downs – change of home, changes of name, movements between Leagues, promotions and relegations, championship wins, Play-Off matches and Cup Finals. These are recorded in this book.

There are also some details in the book about football in Godalming and neighbouring Farncombe before 1950.

The club, currently members of the Southern Combination League, continues to be an important part of the local community.
